

# Doctoral Degree on Leadership in Africa's Development

Applications are now open for candidates seeking admission into the Doctoral programme on Leadership in Africa's Development. This unique work-based PhD programme focuses on harnessing African philosophy for leadership development in Africa and beyond.

Active executives and eminent leaders from business, government, non-profit sector, education etc. are encouraged to apply. Candidates will complete their research degree by contextualising African leadership philosophy in real world, on the job problem-solving and research design.

## Entry Requirements

- A Master's Degree or equivalent
- Five or more years of experience in an executive or professional position
- Three contactable and acceptable referees
- Submission of a pre-proposal

All applications will be evaluated by the Dissertation Committee for admissions to the program

Structure, Duration of Programme, Course Delivery, Fee Structure

Registration of students shall be in September 2017. Tuition fees are K65,000 per year for 3 years.
