

PROGRAMME OVERVIEW

MODE OF LEARNING

DISTANCE

INTRODUCTION

The Public Administration programmes provide students with the knowledge to understand public policy, public administration, human resources, government resources, public management, programme development and project management. Public administration is concerned with the implementation of government policy that serves the wide population, carrying political activity and decisions into actions and developing public programmes for the well-being of the society and the citizens. The aims of public administration are linked to democratic values like equality, security and justice.

WHO SHOULD ATTEND

Both direct and indirect entrants who wish to enter or progress in this exciting field.
